Re: United States of America v. Rojadirecta.org, et al.,  
11 Civ. 4139 (PAC)

Dear Judge Crotty:

The Government respectfully submits this letter to advise the Court that as a result of certain recent judicial authority involving issues germane to the above-captioned action, and in light of the particular circumstances of this litigation, the Government now seeks to dismiss its amended forfeiture complaint. The decision to seek dismissal of this case will best promote judicial economy and serve the interests of justice. The Government thus respectfully encloses a courtesy copy of its Notice of Voluntary Dismissal, pursuant to Rule 41(a)(1)(A)(i) of the Federal Rules of Civil Procedure, which it has filed electronically today. In addition, the Government respectfully encloses a proposed order for the Court's consideration that vacates the warrants pursuant to which the defendant domain names were seized. Thank you for your attention to this matter.

Respectfully submitted,

PREET BHARARA  
United States Attorney
